

**Applications +  
Practical Conceptualization +  
Mathematics =  
fruitful Innovation**

# APCMfi

**Asia Pacific Consortium of Mathematics *for* Industry**

## Our Goals

The development of mathematics and its applications to enhance the quality of life, improve industrial mathematical research and stimulate the two-way interaction between mathematics and industry in the Asia Pacific region.

## Membership Benefits

- APCMfi electronic newsletter about events, conferences and activities
- No registration fee for APCMfi members at the Forums Mathematics-for-Industry (FMfi)
- Reduced fees for selected conferences and workshops
- Voting at society elections
- Free printed copy of the "Pacific Journal of Mathematics for Industry" (PJMI)
- Favorable discount for "Mathematics for Industry Series (Springer)"
- Free use of APCMfi banner and link to APCMfi official website
- APCMfi student poster awards and funded internship exchanges

## To be a Member

Please go to the website  
<https://apcmfi.org/membership/>

## Planned Activities

1. Internships for graduate students and undergraduate students
2. Regular Mathematics-for-Industry Study Group (MfiSG) meetings
3. Regular Mathematics-for-Industry Forums and Workshops
4. The exchange of information and publicity materials related to industrial mathematical activities
5. The organization of joint lectures and programs
6. Fostering of the two-way interaction between applications and mathematics
7. Stimulating interaction between "mathematical and statistical colleagues and institutions" and "the needs and opportunities of industrial mathematics"
8. The identifying an international project

## Contact

Institute of Mathematics for Industry (IMI), Kyushu University  
744 Motoooka, Nishi-ku, Fukuoka-shi, Fukuoka, 819-0395 JAPAN
